

ZMATH 1993g.00462

Ponte, J.P.; Carreira, S. (Lisbon Univ. (Portugal). Dept.de Educacao)

**Computer spreadsheet and investigative activities: a case study of an innovative experience.
Kalkulationsprogramme und mathematische Untersuchungen im Unterricht: eine Fallstudie
zu einem innovativen Unterrichtsversuch.**

Mathematical problem solving and new information technologies. Research in contexts of practice. Mathematisches Problemlösen und neue Informationstechnologien. Editor(s): Ponte, J.P.; Matos, J.F. (Lisbon Univ. (Portugal). Dept. de Educacao); Matos, J.M. (Lisbon Nova Univ., Monte da Caparica (Portugal). Seccao de Ciencias da Educacao); Fernandes, D. (Instituto de Inovacao Educacional, Lisbon (Portugal)) Berlin: Springer. 1992. p. 301-312 of 361 p. Ser. Title: Nato ASI series. Series F: computer and systems sciences. v. 89. Conference: NATO Advanced Research Workshop on Advances in Mathematical Problem Solving Research, Viana do Castelo (Portugal), 27-30 Apr 1991 [ISBN 3-540-55735-0]

Classification: U53 R23 C33 D43 D53 A60
