

**ZMATH 2014f.00644**

**Smyth, M. R. F.**

**MacCool's second proof of Morley's miracle.**

*Ir. Math. Soc. Bull.* 72, 75-77 (2013).

Summary: Here is a traditional proof of Morley's miracle that is unrivalled for brevity and simplicity. It stems from a sadly neglected mathematical gem published in 1914 [*F. G. Taylor* and *W. L. Marr*, *Proc. Edinb. Math. Soc.* 32, 119–131 (1914; JFM 45.0765.09)].

*Classification:* G60

*Keywords:* Morley trisector
