

ZMATH 2013f.00129

Ilc, Katja; Repolusk, Samo

Approaches to motivation of pupils at mathematics lessons. (Načini motiviranja učencev pri pouku matematike.)

Mat. Šoli 19, No. 1-2, 31-44 (2013).

Summary: We first present some theoretical frameworks for learning motivation and subsequently discuss nine different techniques, offering an example for each.

Classification: C20 D40

Keywords: mathematics lessons; motivational approaches; learning motivation; teaching methods
