McConnell, Judith; Leon, Kathleen

Get Ready, Get Set, Go with 10.

Tex. Child Care 21, No. 4, 32-42 (1998).

Offers ideas for 15 active learning experiences that use the concept of "10" for 3- to 5-year olds. Included are mathematics activities, language activities, and music and movement activities. Each activity description includes the objective, a list of materials needed, and steps for completing the activity. (ERIC)

Classification: F21
