

**ZMATH 2013f.00819**

**Malandro, Martin E.; Cory, Beth**

**Optimization on discrete domains using calculus.**

Math. Teach. (Reston) 106, No. 5, 394-397 (2012).

From the text: Whether teaching calculus or simply living life, we often find ourselves confronted with functions that we would like to optimize.

*Classification:* N60 I40

*Keywords:* optimization; critical points; continuous functions; discrete domain
