

**ZMATH 2016c.00907**

**Erratum to: “The antiderivative of the Gaussian normal distribution”. (Korrektur zum Artikel “Die Stammfunktion der Gaußschen Normalverteilung”.)**

Wurzel 50, No. 1, 9 (2016).

Erratum to [ibid. 49, No. 11, 238–242 (2015; ME 2016c.00906)].

*Classification:* K60 I50 N50

*Keywords:* Gaussian bell curve; normal distribution; density function; antiderivative; integral calculus; power series; partial integration; approximation; Taylor polynomials; Taylor series; differential equations; recursion
