

**ZMATH 2015c.00465**

**Gabb, Jane**

**Not 'more of the basics'.**

Equals 17, No. 2, 9-12, electronic only (2011).

Summary: The author's session at this year's Mathematical Association Conference was inspired by a number of teachers over the years who when speaking of their pupils who struggled with mathematics said, 'We just do the basics'.
