Reflection on practice, in practice: the discipline of noticing.

Smith, C. (ed.), Proceedings of the British Society for Research into Learning Mathematics (BSRLM). Vol.31, No. 3. Proceedings of the day conference, Oxford, UK, November 2011. London: British Society for Research into Learning Mathematics (BSRLM). 7-12 (2011).

Summary: This paper outlines the use of John Mason's discipline of noticing by a group of university level mathematics lecturers. We describe the aims that motivated the study, the challenges we faced in using the discipline of noticing to reflect on our teaching, and the progress that we have made.
