

ZMATH 2013c.00739

Tlustý, Pavel; Plocki, Adam

Some notes on less usual probability problems. (Několik poznámek k méně obvyklým úlohám z pravděpodobnosti.)

Učitel Mat. 18, No. 2, 119-123 (2010).

Summary: The article is a reaction to the text “Thee times probability” [*J. Mazurek*, *ibid.* 17, No. 2, 99–103 (2009; ME 2013c.00723)] in which some problems from the field of probability were issued. The authors present their objections to the appropriateness of presenting such problems in education.

Classification: K53 K63

Keywords: probability; problems
