

ZMATH 2016f.00799

Bragg, Leicha A.; Widjaja, Wanty; Loong, Esther Yook-Kin; Vale, Colleen; Herbert, Sandra
Promoting reasoning through the magic V task.

Aust. Prim. Math. Classr. 20, No. 2, 10-14 (2015).

Summary: Reasoning in mathematics plays a critical role in developing mathematical understandings. In this article, Bragg, Loong, Widjaja, Vale & Herbert explore an adaptation of the Magic V Task and how it was used in several classrooms to promote and develop reasoning skills. (ERIC)
