Zhigal'skaya, N.S.

Modeling of the e-learning packages didactic structure.

Vestn. Yuzhno-Ural. Gos. Univ. 27(127), Ser. Mat. Model. Program. 2, 4-9 (2008).

Summary: This paper presents a structural and hierarchical model of the didactic e-learning packages. An e-learning package includes the following didactic aspects: a detailed theoretical definition of a concept, slides for presentations, examples, exercises for individual work, residual knowledge tests and a bibliography.

Classification: D35 U55 R25

Keywords: e-learning encyclopedia; e-learning course; e-learning
