

**ZMATH 2009a.00334**

**Moll, Victor H.**

**An elementary trigonometric equation.**

Coll. Math. J. 39, No. 5, 394-399 (2008).

This is a systematic study about equations of the form  $\tan(a) + B \cdot \tan(b) = C$  with integers  $B$  and  $C^2$ .
