Andersen, John

Dynamic simulation of stochastic phenomena using MS Excel. (Dynamická simulácia náhodných javov pomocou MS Excel.)

Obz. mat. fyz. inform. 44, No. 3, 1-11 (2015).

Summary: Some MS Excel functions allow to demonstrate stochastic phenomena. The article describes dynamical simulation of flipping the coin and tossing five dices.

Classification: K90 U70

Keywords: simulation; stochastics
