Relationship between Weyr and Jordan canonical form.

Obz. mat. fyz. inform. 44, No. 1, 23-37 (2015).

Summary: The main objective of this paper is to present several ways of getting the almost unknown Weyr canonical form of a square matrix from the commonly used Jordan canonical form of the same matrix (and vice versa).

Classification: H60

Keywords: Jordan normal form; Weyr normal form; matrices
