

ZMATH 2011a.00542

Taylor, Christian

The development of counting cards: A new maths aid for teaching place value, addition and subtraction up to 1 million.

Aust. Prim. Math. Classr. 9, No. 2, 25-27 (2004).

Summary: In this article, the author presents a new maths aid for teaching place value, addition and subtraction up to 1 million. The need for a resource to help his wife understand place value motivated the author to create "Counting Cards". Here, he shares his invention, in the hope that it will help others. (Contains 4 figures.) (ERIC)

Classification: F32 U62

Keywords: number concepts; subtraction; manipulative materials; dyslexia
