

ZMATH 2013d.00491

Radić, Mirko

An extremal problem and some relations characterizing acute triangles. (Jedan problem o ekstremu i neke relacije koje karakteriziraju šiljastokutan trokut.)

Mat.-Fiz. List 51, No. 203, 141-147 (2000-2001).

The author solves the problem of finding a maximal-area triangle whose vertices lie at three given concentric circles.
