

**ZMATH 2000d.02513**

**Leung, Shukkwan S.; Wu, Rui-xiang**

**Sharing problem posing and problem solving at home through diary writing.**

Aust. Prim. Math. Classr. 5, No. 1, 28-32 (2000).

Grade 1 children use diary writing as a link between home and school. The authors describe how they used problem solving and problem posing as part of normal classroom and home activities.
