Junek, Heinz

Lenni's contributions to the theory of vector space lattices.

Eronen, Lasse (ed.) et al., Mathematics and education. Learning, technology, assessment. Festschrift in honour of Lenni Haapasalo. Münster: WTM-Verlag (ISBN 978-3-95987-005-4/pbk). Festschriften der Mathematikdidaktik 3, 11-15 (2016).

Summary: L. Haapasalo's activities in the field of vector lattices and orthogonal spaces are briefly presented with special emphasis to his computer method.

Classification: A30 H65 H55

Keywords: vector lattices; orthogonal spaces
