

ZMATH 1998d.02700

Falaschi, Pietro

News, starting-points and thoughts. (Notizie, spunti e riflessioni.)

Lett. mat. Pristem, No. 25, 53-55 (1997).

The author presents his considerations on the variation on the well-known Euclidean proof for the subdivision of a segment in n equal parts, recently discovered by two U.S. students.

Classification: G40
