**Learning about NAEP: information concerning the sixth mathematics assessment.**

Kenney, Patricia Ann et al., Results from the sixth mathematics assessment of the National Assessment of Educational Progress. National Council of Teachers of Mathematics, Reston, VA (ISBN 0-87353-429-8). 1-15 (1997).

The National Assessment of Educational Progress (NAEP) is a congressionally mandated survey of the educational achievement of American students and changes in that achievement over time. This report examines the results for the sixth mathematics assessment conducted in 1992. (orig.)
