

ZMATH 1997b.00812

Duval, R.

Which concept of cognition in the theory of mathematics education. (Quale cognitivo per la didattica della matematica?)

Mat. Didatt., No. 3, 250-269 (1996).

This is the translation of a lecture given at the 8th Summer School on Mathematics Education, Saint-Sauves d'Auvergne (France), 1995. A review of this article will be given later.

Classification: D20
